What Activities Require a Permit?

If you are visiting your local park and would like to use an athletic field, you are welcome to do so. However, the following uses require a permit:

- Events with 25+ attendees.
- Commercial use (whether for-profit or not-for-profit) regardless of the number of participants.
- Activities which require the exclusive use of a field.
- Activities that require lights or field preparation.
- Activities at locations with scheduled programs.
- Activities that require the approval of a Director or the Board of Commissioners.
